As detailed above, Choice Trade recieves rebates from liquidity providers and certain exchanges based upon the order flow executed at each destination. Some orders require us to pay associated transaction costs, but most orders result in rebates. Rebate rates are substantially similar among the various securities exchanges and liquidity providers, although they vary based upon order characteristics (e.g. price of the security, marketability). Choicetrade will not bid out its order flow among venues nor negotiate over rates of payment as a condition for sending more order flow to a market venue.
